

THE MAGAZINE OF TOURISM EXECUTIVES

La Agencia de Viajes Latinoamérica Magazine is from January 2016 AV Latam. A re-launch that includes a modern layout, changes in content and improvements in distribution. Faced with the significant presence of Ladevi Ediciones in the main countries of the region through print and electronic media, AV Latam provide an informational differential by concentrating on the needs of the managerial level of the industry.

Articles about corporate management, business travel and meeting tourism, along with special reports, statistics, news about companies and products that mark a trend and in-depth interviews with travel and tourism referents will mark this new stage.

From two printing plants –one in Buenos Aires and another in Mexico City– AV Latam will reach an extensive database of decision makers in Latin America, the Caribbean and the United States every month.
